FROZEN AIRLINE TRANSPORT PILOT LICENCE COURSE (ATPL)

INTRODUCTION

The **Malaysian Flying Academy (MFA)** is a Malaysian pioneer in professional pilot training that has been in continuous operation since 1987 and envisions its primary role in the education and training of professional pilots for major airlines and other regular public air transport operators.

MFA is an internationally recognised International Civil Aviation Organisation (ICAO) listed fully approved and accredited advanced tertiary institution by the Department of Civil Aviation, Malaysia.

LOCATION

Malacca, Malaysia – **MFA** is situated immediately adjacent to the Batu Berendam Airport (**WMKM**) in the coastal and historical state of Malacca. It is located within Malacca's state capital itself and is approximately 7 kilometres away from the city centre. Malacca is a state which is rich in its diverse cultural heritage and in its history. It is also the birthplace of the modern Malaysian nation of today.

CAMPUS ADDRESS AND CONTACT DETAILS

Whilst our headquarters is in the Malaysian capital of Kuala Lumpur, the **MFA** Principal's office and the campus address are in Malacca, Malaysia. Any and all enquiries pertaining to this course are to be directed to the Campus Enquiry Desk at the following contact details. FROZEN ATPL COURSE PARTICULARS

The Frozen Airline Transport Pilot Licence course detailed herein is a full time course (*or part campus / part distance learning online correspondence course if such is the applicant's preference; see below*) geared specifically to and crafted in accordance with the specifications as is presently required by the Department of Civil Aviation, Malaysia. It is a Frozen ATPL course geared towards the standards and completion of the United Kingdom Civil Aviation Authority (UKCAA) examinations.

If you are an overseas student interested in pursuing a Frozen ATPL course specifically tailored for your country's own civil aviation authorities' or airlines' requirements, kindly contact our Principal for further details and arrangements.

Those cadet pilots who may be desirous of pursuing a **partial distance learning online correspondence Frozen ATPL course** running a maximum of an uninterrupted eight (8) weeks comprising four (4) weeks of interactive online learning, two (2) weeks of intensive tuition on **MFA** campus and a final two (2) weeks of interactive online learning prior to their UKCAA Examinations may contact our campus enquiry desk for further details on the same and indicate such preference in the **Preliminary Application for Enrolment Form** hereunder. Summarised details of the same can be found below as well.

COURSE SCHEDULE

Tentative course commencement dates for batch intakes for this course for the year 2007 are as particularised in the **Preliminary Application for Enrolment Form**. Cadet pilot applicants are **advised** to make enquiries and submit their respective applications early as such tentative course commencement dates may be brought forward or pushed ahead by three (3) months or foregone altogether depending on batch intake volume, number of additional block courses contracted by airlines sponsors and at **MFA**'s sole discretion.

Kindly note that **MFA** reserves the right at its absolute discretion to accept or reject the said applications. Once all initial fees have been settled and all requisite documents have been furnished, cadet pilots armed with and having duly executed the formal Letter of Enrolment from **MFA** alluded to below are required to present themselves and to personally report to the Principal at the **MFA** campus by 1000 hours on the course commencement date. Additional block courses for airlines sponsors may be scheduled if contracted in volume as and when required strictly subject to **MFA**'s sole discretion. All necessities including course payments and a duly executed contract must be settled at least thirty (30) days prior to the intended course commencement date.

ENTRY PROCEDURE

The initial step of the entry procedure is the completion of the **Preliminary Application for Enrolment Form** hereunder and its submission to **Malaysian Flying Academy Sendirian Berhad, Headquarters Address, Ninth Floor, Tower Block, Syed Kechik Foundation Building, Jalan Kapas, Bangsar, 59100 Kuala Lumpur, Malaysia** along with all the required enclosures. For

overseas cadet pilots, pre-visa assessment at a Malaysian embassy may be required. Visa processing will only commence upon MFA's receipt of all initial fees.

Receipt of a successful application will be acknowledged by a formal Letter of Enrolment; if required, the visa process will also commence simultaneously for overseas cadet pilots. MFA's Letter of Enrolment will specify further conditions and provide further details for such applicants and enclose the final contract documentations which will be required to be duly executed by the applicants within fourteen (14) days of their receipt of the same. Unsuccessful applicants will have their cheques/bank drafts duly returned to them within fourteen (14) working days.

Minimum entry requirements, not meant to be exhaustive, are as follows:-

- ▶ Letter of approval from the Department of Civil Aviation, Malaysia; this is secured by the cadet pilot communicating their interest in the applicable course, requisite medical certificate and qualifications to DCA at the address given above;
- ▶ An existing Commercial Pilot Licence with Instrument Rating (CPL/IR) from any country recognised by ICAO;
- ▶ Pass medical examination to Airlines Transport Pilot Licence standard (Class I) with requisite certificate from a DCA approved medical practitioner; prospective cadet pilots are advised to contact DCA directly for an up-to-date list of such medical practitioners or they may browse through our [online FAQ](#) at MFA's website for the same; and
- ▶ Adequate competence in the English language.

COURSE DURATION

The course duration is six (6) weeks to meet the continuity requirement of an effective academic program or a continuous eight (8) weeks for those applicants opting for a **partial distance learning online correspondence Frozen ATPL course** as described above and below.

ENROLMENT AND RESERVATION FEE AND THE BALANCE OF THE COURSE FEES

Cadet pilots are required to pay a non-refundable Enrolment and Reservation Fee of **Ringgit Malaysia Two Thousand (RM2,000.00) Only** as well as the balance of the course fees of **Ringgit Malaysia Three Thousand (RM3,000.00) Only** upon their receipt of a formal Letter of Enrolment from MFA at least thirty (30) days prior to the intended course commencement date.

GROUND TRAINING

Ground Training covers 200 hours of tuition and lectures on aviation theory subjects for Frozen ATPL standards such as, not meant to be exhaustive:-

- ▶ Flight Planning
- ▶ Instrument
- ▶ Navigation
- ▶ Radio Aids
- ▶ Meteorology (Theory)
- ▶ Meteorology (Practical)

EXTRA TUITION CHARGES

Extra ground lectures due to a cadet pilot's non-achievement of standards, may be given, if and when required; provided always that such extra costs will be borne by the cadet pilot or his/her sponsor immediately upon presentation of such invoices.

GRADUATION DOCUMENTS AND FINAL SETTLEMENT

Cadet pilot accounts, inclusive of all interim accounts, must be in order prior to MFA's completion and submission of the Graduation Documentation to the Department of Civil Aviation, Malaysia.

CAMPUS ACCOMMODATION, DINING AND TRANSPORT

Campus accommodation may be arranged for cadet pilots on a week to week basis at the rate of **RM225.00** per week subject to availability and at MFA's sole discretion which includes complimentary (*non-refundable if not availed of) breakfast, lunch, tea and dinner at the MFA Campus Cafeteria during weekdays save for Saturdays, Sundays and MFA Campus Holidays. Campus accommodation is the ideal form of accommodation as all necessary facilities are provided for and it dispenses with daily transportation expenditure.

Howbeit, outside accommodation within a 10km radius of the MFA campus can be had for as little as **RM100.00** (*exclusive of dining costs) per week for a non air-conditioned room in shared apartment/house living to **RM250.00** (*exclusive of dining costs) per week for a single non-shared apartment/house living with air-conditioning. Transportation to and from the MFA campus on a daily basis during the working week may be met by public transport or the use of a shared rented vehicle by a cadet pilot and his course mates. Cadet pilots and their sponsors are encouraged and most welcome to seek MFA's guidance and assistance when deciding upon such logistical arrangements, if so required. Breakfast, lunch and tea is readily available at affordable a la carte prices at the MFA Campus Cafeteria during weekdays save for Saturdays, Sundays and MFA Campus Holidays.

DISCIPLINE

Cadet pilots are actively encouraged to develop and cultivate a professional attitude and self discipline as these are essential qualities of a responsible pilot and airline captain. On arrival, cadet pilots are given guidelines by the Principal on expected behaviour. Training may be suspended or even indefinitely terminated at any phase of the course for inability to meet the academic standards or for breach of discipline.

Cadet pilot attendance for ground training is of paramount consequence. The Academy requires the cadet pilots to put in a **minimum of a 95% training attendance**; failing which the cadet pilot may be inter alia back phased at the sole discretion of the Academy.

WORKING SCHEDULE

The normal working hours for the cadet pilots are from 0800 to 1700 Mondays to Fridays. However, MFA may operate six (6) days a week. When necessary to make up for delays in the training program due to extenuating circumstances, cadet pilots will be scheduled for lessons outside the normal working period.

COURSE FEES AND PRELIMINARY APPLICATION FOR ENROLMENT FORM

The course fees in **Ringgit Malaysia** are presented on the following pages. Cadet pilot applicants are advised to confirm on whether there has been any variance in the said course fees **since the date of this Prospectus, Application & Enrolment Form** with **MFA's** campus address prior to filling out and submitting the said **Preliminary Application for Enrolment Form**.

CONCLUSION

MFA has successfully trained cadet pilots for Malaysian Airlines System, AirAsia, Singapore Airlines, Silk Air, Jetstar Airways and Air Mauritius as well as air regiments from Polis DiRaja Malaysia. Thus far, cadet pilots who have successfully graduated from **MFA** come from as far afield as Australia, Mauritius, Myanmar, Finland, New Zealand, Iraq, Iran, Libya, India, Sri Lanka, Taiwan, Thailand, Hong Kong, Singapore, United Arab Emirates, Oman, Yemen and of course Malaysia.

MFA aims to fully prepare a cadet pilot for a flying career in the commercial aviation industry. A course graduate from **MFA** will be a professional pilot equipped with the level of aviation knowledge and accompanying aeronautical skill and ratings appropriate to the graduate's licence and rating ready to be inducted into a major world airline's narrow body fleet.
